

load_dds_uncompressed
_image

```
graph LR; A[load_dds_uncompressed_image] --> B[alloc_image]; A --> C[copy_scanline];
```

A diagram illustrating function calls. A gray rectangular box on the left contains the text 'load_dds_uncompressed_image'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing the text 'alloc_image'. The bottom arrow points to another white rectangular box containing the text 'copy_scanline'. All boxes have a thin black border.
