

dot3

```
graph LR; dot3[dot3] --> hadd_rgb_s[hadd_rgb_s]; hadd_rgb_s --> vint4_lane[vint4::lane];
```

A flowchart illustrating a sequence of three operations. The first operation, 'dot3', is represented by a gray rectangular box. A blue arrow points from 'dot3' to the second operation, 'hadd\_rgb\_s', which is in a white rectangular box with a black border. Another blue arrow points from 'hadd\_rgb\_s' to the third operation, 'vint4::lane', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.

hadd\_rgb\_s

vint4::lane
