

load_image_with_stb

load_png_with_wuffs

astc_img_from_unorm8x4
_array

```
graph LR; A[load_image_with_stb] --> C[astc_img_from_unorm8x4_array]; B[load_png_with_wuffs] --> C;
```

The diagram illustrates a dependency or relationship between three components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'load_image_with_stb' and the bottom box contains 'load_png_with_wuffs'. On the right, there is a larger, gray rectangular box with a black border containing the text 'astc_img_from_unorm8x4_array'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both functions on the left are related to or point to the target on the right.
